UNITED STATES DEPARTMENT OF AGRICULTURE
AGRICULTURAL ADJUSTMENT ADMINISTRATION
DIVISION OF INFORMATION

LIST OF PUBLICATIONS
May 12, 1933, through July 31, 1940

This leaflet lists printed informative publications, except administrative forms, issued by the Agricultural Adjustment Administration. Where the supply of a publication is exhausted the listing of the publication is preceded by an asterisk.

These publications fall within the following classifications:

General Information, includes addresses and statements by officials of the Department of Agriculture and publications of general interest to persons concerned with agricultural problems.

Producer-Consumer Leaflets consist of a series of leaflets dealing with various ways in which the problems of farmers and city people are related.

Commodity Information consists of pamphlets of a general character explaining the programs for some of the basic agricultural commodities.

Program and Regional Information is information about the Agricultural Conservation Programs being carried out under the Soil Conservation and Domestic Allotment Act and the Agricultural Adjustment Act of 1938 for the country as a whole and also for specific regions.

Requests for this material should be addressed to the Distribution Unit, Division of General Service, Agricultural Adjustment Administration, Washington, D. C.

Publications issued subsequent to July 31, 1940 will be listed in the Monthly List of Publications issued by the Office of Information, United States Department of Agriculture, Washington, D. C. This list gives the title and description of each publication issued by the Department of Agriculture during the preceding month. This list will be sent free to anyone, on request, by the Office of Information.
